

## Love Lights 2021

The holiday season offers a time to remember and show appreciation for friends and loved ones. This is even more relevant during the unprecedented times we're experiencing with COVID. Love Lights is a meaningful way to recognize those who have gone before us as well as those who currently impact our lives.

The Friends of Sauk Prairie Healthcare invites you to remember others this holiday season by supporting their annual community tradition.

This year we will also be remembering those who have lost their battle with COVID and recognizing those frontline workers who continue to work hard each and every day in this battle.

Order forms must be received by November 19 to be recorded in the remembrance display and booklet. Names will be displayed in the Sauk Prairie Hospital lobby through the holiday season. Printed lists are available by contacting the SPH Volunteer office at 643-7257 or [volunteers@saukprairiehealthcare.org](mailto:volunteers@saukprairiehealthcare.org).

Virtual Ceremony: Due to current large gathering restrictions, the traditional in person ceremony at the hospital will instead be a short virtual recording available to view December 6 on the hospital website, [www.saukprairiehealthcare.org/love-lights](http://www.saukprairiehealthcare.org/love-lights).

Love Lights is one of the Friends of SPH's largest fundraising events, directly supporting their efforts to improve patient care and services at Sauk Prairie Healthcare. See reverse side for ordering information.

Thank you for your support!

Deadline for recognition in the Love Light remembrance display and booklet is **November 19**.

Please send your form and payment to:
